File & ServeXpress streamlines service, document access, and case management in silica and complex litigation cases.

How We Move Cases Forward

Silica cases involve hundreds of parties, evolving service lists, continuous document exchange, and large litigation teams. Coordinating teams and filings can get complicated fast. File & ServeXpress helps litigation teams manage service, centralize case documents, and keep all parties aligned throughout the life of the case. File & ServeXpress has provided an online case room and eService of documents in a number of MDLs and MCLs, including:

- ✓ Silica
- ✓ Chinese Drywall, MDL
- ✓ Wells Fargo
- ✓ Deep Water Horizon (BP Oil)
- ✓ Elk River Chemical Spill
- ✓ Uber Pricing
- ✓ California North Bay Fire
- ✓ Vioxx and Propulsid MDLs
- ✓ Eliquis
- ✓ Millennium Tower
- ✓ National Asbestos
- ✓ Pelvic Mesh
- ✓ Google Wage
- ✓ Tobacco Arbitrations
- ✓ Yager Airport Litigation

Supporting Complex Cases by the Numbers

Our Core Solutions and Services for Mass Tort

Accurate Document Service

- ▶ Verified proof of service and read receipts
- ▶ Case Conformer automatically sends service copies to an external database after processing, enabling integration with your firm's systems.

Why it matters:

Helps ensure all parties receive service, reduces manual effort, and keeps document distribution consistent across your team.

Dynamic Service List Management

- ▶ Centralized service list administration
- ▶ Administrative oversight of service lists
- ▶ Accurate tracking of service activity

Why it matters:

Keeps pace with constantly evolving litigation teams.

Centralized Case Repository

- ▶ eBinder provides a secure, cloud-based case binder that keeps all filings and documents organized in one place.
- ▶ Searchable access to filings and discovery
- ▶ Automatic PDF conversion of served documents, with virus scanning

Why it matters:

Provides a reliable, accurate, and secure record without searching through emails or shared drives.

Streamlined for Large-Scale Litigation

- ✓ Hundreds of parties
- ✓ Thousands of documents
- ✓ Constant service list changes
- ✓ Multiple law firms and litigation teams

Reliable Litigation Infrastructure

File & ServeXpress supports complex litigation with secure electronic document service, complete audit trails, and a centralized case record. With billing and reconciliation reporting, optional U.S. mail service, and 24/7/365 support, cases move smoothly from start to finish.
